

Gender Equality Plan (GEP) - Gender Balanced Strategy

As part of meeting the requirements of the HR Award and the Horizon Europe programme call, Palacký University Olomouc (UP Olomouc) is currently working on developing a Gender Equality Plan (GEP). The Gender Balanced Strategy, its development and implementation into the documents and processes of UP Olomouc, is part of the commitment contained in the Action plan for the HR Award with the deadline for completion by the end of 2022.

GEP Development

1. An analysis of human resources with the appropriate professional qualifications is currently in progress, in accordance with the activities related to the HR Award. The coordinator for the development and implementation of the GEP is Markéta Šupplerová: marketa.supplerova@upol.cz.
2. An analysis of the documents and regulations of UP Olomouc is also currently in progress.

The UP 2021+ strategic plan includes gender issues as part of the goal of creating equal opportunities. The vision includes: [Palacký University Olomouc] "Will be presented as a healthy university that supports and ensures equal opportunities, remains socially responsible and sustainable and helps foster a culture of a shared identity (Priority 4 - Healthy, socially responsible and sustainable university)." Goal 6: Systematisation of third-mission tools, Goal 6.3 Development of the principle of social responsibility inside and outside the community, where the description of the goal mentions: "Issues of social responsibility will be given more emphasis in educational programmes, the curriculum will be expanded to include soft issues and service learning and the university will use tools that will produce equality between men and women."

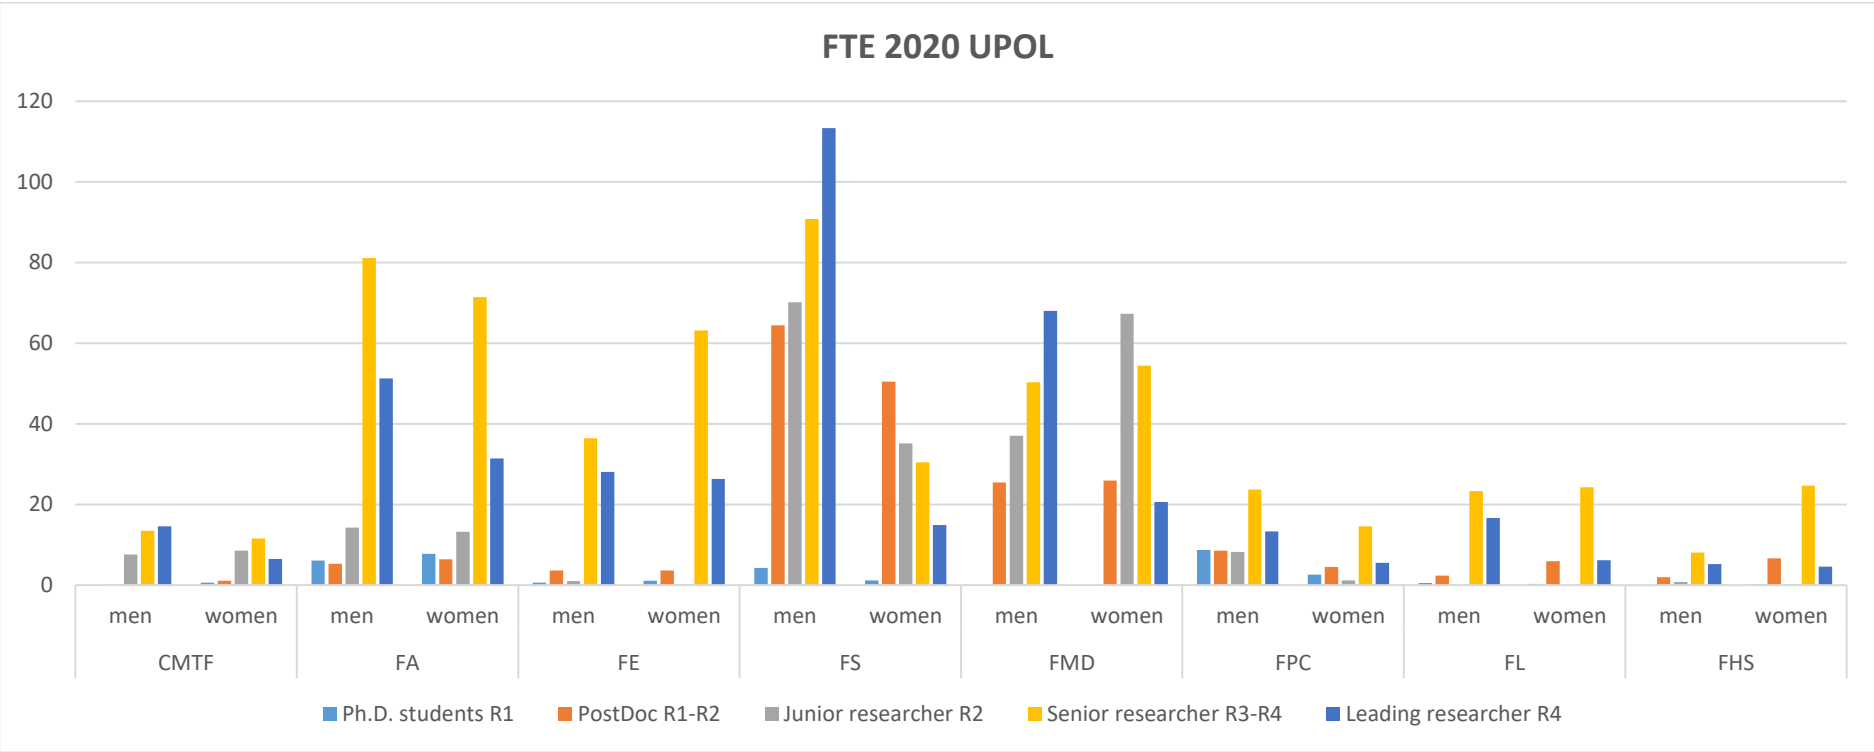

3. An analysis of available statistics and monitored data is currently in progress (see annexes). This analysis focuses mainly on:
 - a. Statistics of researchers (both academic and scientific) divided by men/women, employee category and faculty. (Chart 1)
